Good evening Maria,

On below matter Valero advised that product on the barge is currently off spec. They expect to load new prod
but did not want to commit. Current indication for the off spec product as per attached file is at \$740 pmtx, pl
We will keep monitoring and updating the situation.

Thank you and best regards,

Re : MV Ionic Spirit - Bunker Stem at Corpus Chisti

Dear George good day,

Pls note the subject vsl will proceed to discharge his cargo

Bauxite at Corpus Chisti, USA on or about 2nd March 2015. Therefore

pls revert with availability and costs in order to supply the vsl

with bunker LSMGO abt 100-150. Pls revert with all any additional costs, barges fees, or any else expenses, etc

I Look forward to hearing from you in due course.
